**MOTION OF DEBTORS FOR ENTRY OF ORDER  
PURSUANT TO 11 U.S.C. § § 105(a), 327, 328, AND 330  
FOR AUTHORIZATION TO EMPLOY PROFESSIONALS  
UTILIZED IN THE ORDINARY COURSE OF BUSINESS**

TO THE HONORABLE ROBERT E. GERBER,  
UNITED STATES BANKRUPTCY JUDGE:

General Motors Corporation (“GM”) and its affiliated debtors, as debtors and  
debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”),  
respectfully represent:

**Relief Requested**

1. The Debtors request authorization, pursuant to sections 105(a), 327, 328,  
and 330 of the Bankruptcy Code, to retain professionals utilized in the ordinary course of  
business (the “**Ordinary Course Professionals**”) without the submission of separate  
employment applications and without the issuance of separate retention orders for each

professional as listed on Exhibit “C”, nunc pro tunc to June 1, 2009 (the “**Commencement Date**”). The Debtors intend this Motion to apply only to attorneys.

### **Jurisdiction**

2. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

### **Background**

3. The Debtors operate a global business of tremendous size and scope. In order to effectively operate their businesses prior to the Commencement Date, the Debtors utilized the services of scores of professionals to address and advise them regarding the countless business and legal issues that arose on a daily basis. In order to effectively continue to operate for the benefit of all stakeholders, the Debtors require the services of many of these professionals for ongoing matters.

### **Proposed Procedures**

4. The Debtors desire to continue to employ the Ordinary Course Professionals to render a variety of professional services to these estates in the same manner and for the same purposes as the Ordinary Course Professionals did prior to the Commencement Date. In the past, these professionals have rendered a range of professional services including but not limited to litigation, corporate, tax, real estate, employment, logistics, and customs related matters. It is essential that the employment of these Ordinary Course Professionals, many of which are already familiar with the Debtors’ businesses and financial affairs, be continued to avoid disruption of the Debtors’ normal business operations and the cost, expense, and delay of

securing replacement professionals. In addition, many of the Ordinary Course Professionals are instrumental to the 363 transaction and its successful and timely consummation.

5. The Debtors submit that the proposed employment of the Ordinary Course Professionals and the payment of monthly compensation on the basis set forth below are in the best interests of their estates and creditors. The relief requested will save the estates the substantial expenses associated with applying separately for the employment of each Ordinary Course Professional. Further, the relief requested will avoid the incurrence of additional fees relating to the preparation and prosecution of interim fee applications.

6. The Debtors propose that as promptly as possible following (i) the entry of an order granting this Motion or (ii) the date on which the Ordinary Course Professional commences services for the Debtors, if later, each Ordinary Course Professional shall provide to the Debtors' attorneys: (a) a declaration, substantially in the form annexed hereto as Exhibit "A" (the "**Ordinary Course Professional Declaration**"), certifying that the professional does not represent or hold any interest adverse to the Debtors or their estates with respect to the matter on which the professional is to be employed and (b) a completed retention questionnaire substantially in the form annexed hereto as Exhibit "B" (the "**Retention Questionnaire**").

7. The Debtors propose to then file the Ordinary Course Professional Declaration and Retention Questionnaire with the Court and serve a copy thereof upon (i) the U.S. Trustee and (ii) attorneys for the statutory committee of unsecured creditors appointed in these chapter 11 cases (together with the Debtors, the "**Reviewing Parties**"), which parties would then have 10 days following service of such documents (the "**Objection Deadline**") to notify the Debtors, the other Reviewing Parties, and the relevant Ordinary Course Professional in writing of any objection to the retention based upon the contents of the Ordinary Course

Professional Declaration or Retention Questionnaire. If, after the Objection Deadline, no objection is filed, the retention, employment, and compensation of such Ordinary Course Professional would be deemed approved, without further order of the Court. If an objection is filed and cannot be resolved within 20 days, the matter would be set for a hearing before the Court.

8. The Debtors propose that they be permitted to pay each Ordinary Course Professional, without a prior application to the Court by such professional, 100% of the fees and disbursements incurred, if the Debtors approve an appropriate invoice submitted by such professional that sets forth in reasonable detail the nature of the services rendered and disbursements actually incurred; *provided, however*, that, if any amount owed for an Ordinary Course Professional's fees and disbursements based on monthly service dates were to exceed a total of \$150,000 per month per professional, then the payments to such professional for such excess amounts would be subject to the prior approval of the Court as set forth below. In addition, the Debtors propose to cap payments to each Ordinary Course Professional at \$2 million for the entire period in which these chapter 11 cases are pending, subject to further order of the Court. In the event that an Ordinary Course Professional seeks more than \$150,000 per month, that professional will be required to file a fee application for the full amount of its fees and expenses for that month, notwithstanding the receipt of the \$150,000 for such month, in accordance with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules for the Southern District of New York (the "**Local Rules**"), the Fee Guidelines promulgated by the United States Trustee, and any and all orders of the Court. The Debtors reserve the right to amend the monthly compensation limitations set forth in this paragraph upon notice to parties in interest.

9. Annexed hereto as Exhibit “C” is an initial list of the Ordinary Course Professionals identified by the Debtors as of the date of this Motion. The Debtors reserve the right to retain additional Ordinary Course Professionals from time to time during these cases, as the need arises. In such event, the Debtors propose to file the Ordinary Course Retention Declarations and the Retention Questionnaires for each additional Ordinary Course Professional. Once the Ordinary Course Retention Declaration and the Retention Questionnaire have been filed with the Court, the retention of the additional Ordinary Course Professional will be deemed authorized. The Debtors further propose that the procedures and deadlines for Reviewing Parties to object to the retention, employment, or compensation of the additional Ordinary Course Professionals be the same as those set forth above for the Ordinary Course Professionals listed on Exhibit C.

10. The Debtors further request that they be authorized to pay any professional whose services do not result in fees and disbursements in excess of \$20,000 per month per professional based on monthly service dates (collectively, the “**De Minimis Ordinary Course Professionals**”) without the need to (a) file a formal application, (b) file an Ordinary Course Professional Declaration, or (c) file a Retention Questionnaire. The Debtors propose that a De Minimis Ordinary Course Professional would be paid, subject to the limit set forth above, 100% of the fees and disbursements incurred upon submission of appropriate invoices setting forth in reasonable detail the nature of the services rendered and disbursements incurred.

11. If in any month a De Minimis Ordinary Course Professional exceeds the applicable monthly limit, such professional would be required to (a) complete and serve an Ordinary Course Professional Declaration as described above, (b) complete and serve a

Retention Questionnaire as described above, and (c) submit a fee application in accordance with paragraph 8 of this Motion, in order to receive further compensation.

12. The Reviewing Parties would then have 10 days following such service to notify the Debtors in writing of any objections to the retention of the De Minimis Ordinary Course Professional based upon the contents of the Ordinary Course Professional Declaration. If after 10 days no objection is filed, the De Minimis Ordinary Course Professional would be retained as an Ordinary Course Professional and would be subject to all provisions herein regarding Ordinary Course Professionals. As noted above, the Debtors propose that no De Minimis Ordinary Course Professional who has exceeded the applicable limit be paid any amount in excess of such limit for invoiced fees and expense reimbursement until the Ordinary Course Professional Declaration and Retention Questionnaire has been filed with this Court and the objection deadline has passed.

**The Relief Requested Should Be Approved by the Court**

13. Section 327(a) of the Bankruptcy Code provides that:

Except as otherwise provided in this section, the trustee, with the court's approval, may employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the trustee in carrying out the trustee's duties under this title.

11.U.S.C. § 327(a). Section 327(e) of the Bankruptcy Code further provides that "with the court's approval" a debtor may employ:

for a specified special purpose, other than to represent the trustee in conducting the case, an attorney that has represented the debtor, if in the best interest of the estate, and if such attorney does not represent or hold any interest adverse to the debtor or to the estate with

respect to the matter on which such attorney is to be employed.

*Id.* § 327(e).

14. Section 328(a) of the Bankruptcy Code provides, in pertinent part, that the trustee “with the court’s approval, may employ or authorize the employment of a professional person under section 327 or 1103 of this title, as the case may be, on any reasonable terms and conditions of employment” *Id.* § 328(a). Section 330 of the Bankruptcy Code further provides, in pertinent part:

After notice to the parties in interest and the United States Trustee and a hearing, and subject to sections 326, 328, and 329, the court may award to a . . . professional person employed under section 327 or 1103—

(A) reasonable compensation for actual, necessary services rendered . . . by the professional person, or attorney and by any paraprofessional person employed by any such person; and

(B) reimbursement for actual, necessary expenses.

*Id.* § 330.

15. Section 105(a) of the Bankruptcy Code provides:

The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title. No provision of this title providing for the raising of an issue by a party in interest shall be construed to preclude the court from, sua sponte, taking any action or making any determination necessary or appropriate to enforce or implement court orders or rules, or to prevent an abuse of process.

*Id.* § 105(a).

16. The Debtors submit that, in light of the additional costs associated with the preparation of employment applications for professionals who will receive relatively modest fees, it is impractical and costly for the Debtors to submit individual applications and proposed retention orders for each Ordinary Course Professional as required by Bankruptcy Rules 2014 and 2016. Moreover, if the contemplated sale transaction is consummated, many of the Ordinary Court Professionals will be limited to a few short months of service for the Debtors. Accordingly, the Debtors request that this Court dispense with the requirement of individual employment applications and retention orders with respect to each Ordinary Course Professional.

17. Although certain of the Ordinary Course Professionals may hold unsecured claims against the Debtors for prepetition services rendered to the Debtors, the Debtors do not believe that any of the Ordinary Course Professionals have an interest materially adverse to the Debtors, or their estates with respect to the matters as to which they are to be employed.

#### **Notice**

18. Notice of this Motion has been provided to (i) the Office of the United States Trustee for the Southern District of New York, (ii) the attorneys for the United States Department of the Treasury, (iii) the attorneys for Export Development Canada, (iv) the attorneys for the agent under GM's prepetition secured term loan agreement, (v) the attorneys for the agent under GM's prepetition amended and restated secured revolving credit agreement, (vi) the attorneys for the statutory committee of unsecured creditors appointed in these chapter 11 cases, (vii) the attorneys for the International Union, United Automobile, Aerospace and Agricultural Implement Workers of America, (viii) the attorneys for the International Union of Electronic, Electrical, Salaried, Machine and Furniture Workers—Communications Workers of

America, (ix) the United States Department of Labor, (x) the attorneys for the National Automobile Dealers Association, (xi) the attorneys for the ad hoc bondholders committee, (xii) the U.S. Attorney's Office, S.D.N.Y., (xiii) all entities that requested notice in these chapter 11 cases under Fed. R. Bankr. P. 2002, and (xiv) the Ordinary Course Professionals listed in Exhibit C annexed to the Motion. The Debtors submit that, in view of the facts and circumstances, such notice is sufficient and no other or further notice need be provided.

19. No previous request for the relief sought herein has been made by the Debtors to this or any other Court.

WHEREFORE the Debtors respectfully request entry of an order granting the relief requested herein and such other and further relief as is just.
